

Webinar: Light Entrepreneurship in Finland – An opportunity to sell your expertise

Tuesday the 8th of December, 2 – 3 pm (free of charge)

Light entrepreneurship

enables you to start your own business with low risk, help to create your customer network, and to commercialize your business idea. Welcome to hear information about light entrepreneurship in Finland!

In this one-hour -webinar, you will hear general information about light entrepreneurship, its advantages, rules, and the most common service providers in Finland. There is also an opportunity to ask questions. The speaker of the event is Ms. Sanna Lappalainen from Riveria. The event is aimed at anyone interested in the topic.

The webinar is organized in collaboration with the KOVAT and Base Camp -projects.

For more information,
please don't hesitate to contact
